

St Paul's Performing Arts Project

Speak up!

*Making effective use of
your speaking voice*

When and where? Friday evenings 6 – 6:30pm in the Sanctuary from 4th October – 13th December

Who is it for? Anyone who speaks publicly in the church whether reading the lessons in services, leading prayers, making reports in meetings or participating in drama **and** for those who would like to do these things but feel nervous about it

What are we aiming for?

- **Being heard** with or without a microphone
- **Reading** with good sense and expression
- **Speaking** clearly at an appropriate pace
- **Confidence** in speaking, reading and performing
- **Understanding** what our technology can and can't do
- **Getting** the best out of microphones
- **Putting on** a short drama in a service during Advent

Interested? Come to a taster session on Friday 4th October at 6pm or any other Friday We're aiming to make it fun for everyone, so don't be shy!
